# DOULOS

## Delivering KnowHow

## Embedded Software Training Schedule

### Live Online Training for Europe & Asia

#### Linux, Yocto & Android

| | |
|---|---|
| Developing with Embedded Linux | October 6, 2025 |
| Embedded Android for Automotive | October 13, 2025 |
| Designing Embedded Systems with Yocto | October 13, 2025 |
| Practical Embedded Linux Device Drivers | November 10, 2025 |
| Practical Embedded Linux Security | November 24, 2025 |

#### Python & Edge AI

| | |
|---|---|
| Expert Product Development with Python | September 29, 2025 |
| Essential Python | November 10, 2025 |
| Essential Edge AI for Embedded Developers | December 8, 2025 |

#### Embedded C & C++

| | |
|---|---|
| Embedded System Security for C/C++ Developers | October 21, 2025 |
| C Programming for Embedded Systems Online | November 3, 2025 |
| Modern C++ for Embedded Microcontrollers | November 24, 2025 |

#### RTOS & Zephyr

| | |
|---|---|
| FreeRTOS Real-Time Programming | October 14, 2025 |
| Zephyr Essentials | November 3, 2025 |

#### Rust

| | |
|---|---|
| Rust Fundamentals | November 17, 2025 |
| Rust for Embedded Systems | November 17, 2025 |

### In-Person Training for UK

| | | |
|---|---|---|
| C Programming for Embedded Systems | October 13, 2025 | Hampshire, UK |
| Modern C++ for Embedded Microcontrollers | November 3, 2025 | Hampshire, UK |
| Practical Embedded Linux Security | November 3, 2025 | Hampshire, UK |
| Essential Edge AI for Embedded Developers | February 23rd, 2026 | Hampshire, UK |
